Foundation Football

Set up a 20x20 playing area or adjust size to suit number of players.

Players have a ball each and dribble within the area.

The coach has a bib tucked into their pants. The bib is the last ticket for the circus.

Players dribble and try to get the last ticket as the coach moves within the area.

When successful in getting the ticket, play restarts to offer the ticket to all players again.

VARIATIONS AND PROGRESSIONS

Each practice can be varied to adapt to the needs of players. Simple changes can increase or decrease the challenge. Examples such as changing the rules, the size of the area, overloading the advantage of one team, varying the focus, or setting team challenges will keep players motivated and all attribute to good coaching methodology.

LEARNING OUTCOMES

- How to keep close control of the ball.
- How to use different parts of the foot.
- Learn how to move the ball at different speeds.
- Players begin to understand spatial awareness.
