

HUNGRY PIRANHAS

To introduce the basic concepts of the game in a fun and positive learning environment

TECHNICAL

Fun Games

Foundation Football

Set up a 20x20 playing area or adapt to suit number of players.

Players have a ball each apart from two or three who are Piranhas.

Players dribble around the area while the Piranhas attempt to tag them.

Piranhas must stay in the area (water) however, the players with the balls are allowed on land (outside the area) for up to five seconds at a time.

If a player is tagged three times, they become a Piranha.

VARIATIONS AND PROGRESSIONS

Each practice can be varied to adapt to the needs of players. Simple changes can increase or decrease the challenge. Examples such as changing the rules, the size of the area, overloading the advantage of one team, varying the focus, or setting team challenges will keep players motivated and all attribute to good coaching methodology.

LEARNING OUTCOMES

- How to keep close control of the ball.
- How to use different parts of the foot.
- Learn how to move the ball at different speeds.
- Players begin to understand spatial awareness.

KEY FACTORS

- Always encourage players
- Close control of the ball
- Enjoyment of the session
- Ensure the session is relevant and age appropriate
- Space awareness within playing area

FOCUS AREAS

- Ensure every player is taking part in the session.
- Ensure the session is fun and that players are enjoying playing the game.
- Facilitation of the practice is more important than 'coaching' the players – let the game be the teacher.
